Guinea Bissau, the perfect destination for **adventure tourism** and **ecotourism**.

This route is **NOT FOR EVERYONE**. Enjoying the privilege of being in a unique environment, the thrill of discovering a culture so radically different to our own, being aware of how lucky we are to enjoy the experience together with other travelling companions is something that not everyone understands in the same way. This route takes us to a remote region; events here are much more unpredictable than with conventional holidays but this is all part of the African adventure.

This trip will allow us to delve into incredible, heavenly landscapes and enjoy nature at **Orango National Park**. **Hiking trails, routes in sea kayaks, boat trips, wildlife observation...** In short, **active holidays in West Africa** where we will have the opportunity to feel safe and relax.
